Optional Dinner Theater on Tuesday evening....
"Don't Hug Me: A Love Story With Singin' and Stuff
 At "The Bunyan", a colorful, rustic northwoods bar in Minnesota, it's the coldest, most bone-chilling day of the year. Cantankerous bar-owner Gunner Johnson is ready to sell the business and move to Florida. His wife, Clara, is perfectly content staying. It's a battle of wills when a fast-talking salesman promises to bring in loads of cash - and a little romance - into their lives through the 'magic' of karaoke.....and all heck breaks loose!"
