Help Wanted

- A person or couple to do games at the fall picnic, Christmas Luncheon and Mid- Winter Banquet. If you are interested in one or all of the events, please contact Diane or Greg Gill at dianeg@affordablecomfortinc.net
- Ride Leaders for after breakfast rides, rides during the week and rides on the 4th or 5th weekend of the month. Contact Diane or Greg Gill or breakfast hosts.

[Quakertown Breakfast](#)

hosted by Kris and Brenda Hoot

Well the month of March certainly came in like a lion. Cold temperatures, heavy rain and lots of wind. Not ideal conditions for any outdoor activity. Obviously no motorcycles in the parking lot. However 16 Retreads and 2 guests came for good food and conversation. The two guests were Vivian Vega and Shawn Schoch both from Stroudsburg. They weren't guests very long because they filled out an application and joined the club right then. Ed Kmetz also from Stroudsburg who joined the club recently, came for his first time to our breakfast. Welcome to the club everybody. We also passed around a sympathy card for Retread member Bruce Wood, his wife Helen also a Retread passed away on Feb. 24. Bruce and Helen are some of first Retreads Brenda and I met when we joined the club in 1994; and one of the nicest couples you'd ever want to meet. Brenda Hoot won the 50/50. Hopefully the weather will cooperate on April 6 so we can get an after breakfast ride in. Remember, when in doubt, take the scenic route. Kris Hoot

[Lancaster Breakfast](#)

Hosted by Harold and Linda Robinson

What a great turn-out for breakfast this morning considering the weather (damp and dreary). 21 Retreads and two guests (Chris Soden, who has been coming to breakfast for quite some time, brought a guest Chris Meehan with him today. Hopefully both will join our Club). Even had one bike in the parking lot (Chris Soden). Hopefully the weather will start cooperating and we can start getting in some after breakfast rides. Ed Carvell won the 50/50 and Christine Ginnette and Carl Robinson won the free breakfasts. We went over the upcoming events on the Calendar and some of the date changes. Looks like a busy year ahead! Plenty of conversation after breakfast as we all slowly started emptying out the room.

It was great seeing everyone this morning and hope to see you at our next breakfast. Thank you. Harold

[Myerstown Breakfast](#)

Hosted by Rick and Darlene Horst

The day started out pretty chilly, but the sun was out and it turned out to be a very nice day. We had 16 people come out for breakfast, with 9 motorcycles in the parking lot. Long time member, Shirley Putt came to join us and meet everyone. It was nice to meet her and hopefully we will see her again. We also had 4 visitors. Martin Rothstein came for the second time and brought his brother Gary with him. Tony & Debbie Esbshade also joined us for the first time. As always there was lots of visiting and talk of upcoming events and rallies. The 50/50 was won by Chris Kreitzer. After breakfast 8 motorcycles headed out for a ride. Rick led a ride going through Richland, Newmanstown, Reinholds, Denver, Reamstown, Lauschtown, Fivepointville, Terre Hill, East Earl (to name a few) and ended up in Intercourse. We stopped at Emma's Popcorn and tried out some popcorn flavors and of course bought some to take home. We also went to Lapp Valley Farm. Chris took advantage of the play area and went down the slide. We enjoyed some ice cream before going our separate ways. It was great to have Harold Robinson riding with us today. It was his first ride since his accident last September. So glad he is able to be back on his bike. Thank you to all who came out today. We look forward to nicer weather and many more rides. Hope to see you next month. Rick & Darlene

[Mid- Winter Getaway](#)

What a great couple of days spending time with Retreads from Delmarva, Maryland, Eastern Pa and even Massachusetts! We had such a blast visiting the Gettysburg visitor center , cyclorama, Jennie wade House, Harley Dealer and so much more. Also learning new games to play and just visiting with each other and learning more about others and other clubs. Those attended said that they want to do this again next year!!! So.....Save the Dates – March 5th – 9th, 2025– hotel said they can start booking rooms for this time frame as well.

[Welcome to our New Members](#)

Shawn Schoch and Vivian Vega Schoch sponsored by Greg and Diane Gill

[In our thoughts](#)

Jeanne Lorah had eye surgery and is recovering at home.

[Safety Tip by Blain H](#)

[Facts and Figures](#)

Yeah, it's a bunch of numbers. And when you're on your bike, it's the last thing you're thinking about. But, the more you know about your chances of crashing before you ride, the better off you'll be.

In 2022, there were **3,396** motorcycle crashes in PA.

872 were seriously injured.

217 people died in motorcycle crashes.

Currently, based on vehicle miles traveled, motorcyclists are killed 27 times more often than car occupants (motorists). This understates the danger because the occupancy rate of cars is about 1.4 times that of motorcycles. When the occupancy rates are considered, motorcyclists are fatally injured an astounding 38 times more often than car occupants.

Another way to state the danger is that all other vehicles account for 99.4% of the vehicle miles traveled leaving only 0.6% of the miles traveled by motorcycles, yet motorcycle drivers account for 21% of all drivers killed!

MOTORCYCLES ARE ALMOST ALWAYS THE STRIKING VEHICLE.

Cars typically do not strike motorcycles! Incredibly, in 96% of fatal motorcycle crashes in the United States, the motorcycle is the striking vehicle (including single-vehicle crashes). This means we riders are going to have to slow down and learn to yield to other road users.

77% of multi-vehicle crashes occur in the 10, 11, 12, 1 and 2 o'clock positions of the motorcycle. This is the typical impact areas of a striking motorcycle that has not yet fallen over prior to impact.

SPEEDING CONTINUES TO BE A SIGNIFICANT FACTOR IN FATAL CRASHES.

Speed increases the chance of loss of control, as well as providing energy for injury. Ride at the suggested speeds. The roads are designed to have a minimum mishap rate for these suggested speeds.

HELMETS — IT'S NOT ROCKET SCIENCE OR BRAIN SURGERY.

The fact is, helmets work. Riders who wear them are more likely to survive head injuries than ones who don't.

IMPAIRMENT CONTINUES TO BE A SIGNIFICANT FACTOR IN FATAL CRASHES.

It's already hard to operate a motorcycle, why make it harder?

Let's Ride by Lee B

This month we have a place to visit and look at old motorcycles and other junk. The Perkiomen Chapter of the Antique Motorcycle Club of America is having their annual meeting, show, and swap meet. Antique motorcycles are at least 35 years old. The event runs FRIDAY April 26 and Saturday April 27. No Sunday show. The show is at the Oley Fire Company Fairgrounds. In the past motorcycle parking was on Jefferson Street at the Oley Valley High School. Food and restrooms are available.

https://www.antiquemotorcycle.org/con-tent.aspx?page_id=4002&club_id=327323&item_id=1877995

And on Friday May 10 and Saturday May 11 there is a Minibike and Scooter show at the Fairgrounds too! The event runs from 8:00 am to 4:00 PM.

See <WWW.Facebook.com/perkminibike> for more information.
